

Building Bridges to Careers

Youth Career Development
Workforce Development Entrepreneurship

Successful Students • Prosperous Businesses • Thriving Communities

WHAT DO WE DO?

GOAL:

Bridge the gap between education & employment

MISSION:

Fostering school, business, & community relationships to inspire career choice through experience, entrepreneurship, & education

VISION:

Successful Students • Prosperous Businesses • Thriving Communities

Successful Students • Prosperous Businesses • Thriving Communities

COMMUNITY & CAREER CONNECTED LEARNING

A learning system integrating community partnerships and career awareness into experiential, place-based learning*

*Ricket, 2022; Ricket & Werry, 2020
